

SSJ EMERGENCY ACTION RESPONSE TO THOSE WHO FLED FROM DARAA

PEOPLE STRANDED AT THE BORDER ARE SUFFERING

Due to the escalation of fighting in Daraa Province, tens of thousands were forced to escape from the shelling. The UN has warned that around 300,000 people were forced to flee their homes and many of them stranded at the Jordanian border area.

The humanitarian situation at the border is terrifying under the blazing sun; people are NOT able to access to enough water, food and medical care...

For this urgent matter, Stand with Syria Japan (SSJ) is raising donation to support the displaced people. We are cooperating with Syrian local volunteering organisation "Molham Team" to send basic humanitarian aid such as water, food, milk for kids and medicine.
